THE CARTER ACADEMY

SCHOOL & COLLEGE

Seeking a glorious future for your child?

Already reputed as one of the highly acclaimed institutions in Bangladesh, TCA provides excellent educational opportunities in English medium (English Version) coupled with teaching other life skills (leadership, etc.) and physical fitness. This is achieved under the instruction of our dedicated and experienced faculty and staff.
Our mission is to cultivate and nurture future societal leaders, taking them form the most humble of origin and elevating them to the apex of global society.

- To enable students to achieve their dreams and true potential, while imposing on limits on their ambitions
- To provide unparalleled academic excellence and future career prospects in a humane and caring environment
- To prepare each student for the challenges of an ever-expanding world
- To expand the intellectual horizon of students through cultural, social, academic, and co-curricular activities at the highest level
- To foster independence of mind and spirit through kind guidance and nurturance
- To provide loving care, support and encouragement equally to all of our students regardless of background. The school provides a learning environment in which all individuals are equally important, happy, and successful.
